RISK TAKER

How can I encourage a Risk Taking MYP student?

Encourage them to be willing to make mistakes. Encourage them to be confident and have the courage to try new things.

What is a Risk Taker?

A student who is a risk taker approaches uncertainty with determination. They work to explore new ideas. They are resilient in the face of challenges and change.

How can I be a Risk Taker?

I can be willing to make mistakes and try new things, both in and out of school. I can try to do things in an unfamiliar way. I can use good judgment and act on my own initiative.

MYP DAY

Our first MYP day was February 15th. For the first two hours of the day the whole school was taking part in "classes" that might be considered "outside the box." We had offerings such as fishing, cooking, farming, French, interior design, sports talk, creative writing, Pilates and even Harry Potter. Some

of our clubs met with their members during this time as well. Each student attended two "classes." It was an amazing day for our students and teachers. For a complete list of classes please visit our ATMS MYP website under the information section.

Check out our video re-capping the day!
